SomnoDent AVANT™

An innovative digital device “done right” for people who want a comfortable, slim oral appliance for the treatment of mild to moderate obstructive sleep apnea.

Early Results are In...

- At follow-up, 100% of patients reported that SomnoDent AVANT is comfortable.*
- 96% of patients report that their quality of sleep improved.*

The SomnoDent AVANT provides you with a:

- Comfortable, custom-fit CPAP alternative.
- Full lip seal with the ability to speak and drink while wearing.
- Discreet and silent treatment for mild to moderate obstructive sleep apnea.
- FDA approved oral device, with high-quality materials milled for strength and durability.
- Patented soft liner for retention and comfort.
- Dependable 3-year warranty through SomnoMed.

Get the sleep you need and deserve and improve your health and restfulness.
